Continuation of 11. does NOT place the application in condition for allowance because:

On page 2, paragraph 2 of the Request for reconsideration, Applicant's stated that the current Office is unreasonable. The previous Office Action did not raise the issue regarding a defective Reissue Declaration. The current Office Action is the first time when the defective Reissue Declaration is asserted. Thus, the finality of this Office Action is improper, and should be withdrawn. However, according to MPEP, the examiner will issue a final Office action where the application is otherwise in condition for allowance, and amendments or other corrections of error in the patent have been made subsequent to the last oath/declaration filed in the application. (See MPEP 1444 II).

Continuation of 13. Other: There is no response to Notice of Non-Compliant Amendment, filed on 04/02/07.
